New Online Photo Directory

You may have heard that your Residents Association (*with the assistance of Doug Scott, IT Manager at BrightSpace - our home office*) has created an online photo directory of residents and staff to appear as a link on the College Walk website. The rollout of this directory will be announced soon in the weekly Table Talk. The directory will be protected with an ID and password that will be communicated to residents before the rollout. Any resident not wishing their photo to appear in the directory may opt out by notifying Jennifer Murgolo, Kimberly O'Shields or Tim Robinson. Staff photos will be added as they become available. We hope this new directory will help us get to know each other better and become closer as a community.
